Re: *State of Oklahoma v. Tyson et al.*, No. 05-CV-0329-GKF-SAJ

Dear Michael:

Pursuant to the Court's order of January 5, 2007 (Dkt. 1016), and without waiving our objections, we are today FedExing to you STOK-CD96, along with an index of the data being produced.

Included in this production is preliminary data from Aquatic Research. The production of this data is being expedited pursuant to the Defendants' request and the Court's Order (Dkt. 1710). It is important to understand that in order to expedite the production of this data, we have not been able to complete our internal QA/QC process this data. When that review is completed, we will supplement the production.

Also included are final EML reports from sampling conducted on 09-04-08.

Should you have any questions concerning this production, please do not hesitate to call.

Sincerely,

Louis W. Bullock
